Assistance to the Active Duty:

The weather has not been good in April.

Since the Spring has been so cold and the Mississippi River has been flooding, no boats are out for doing Vessel Checks at Watergate. By the end of this month of May or the beginning of June, boats should be in the Mississippi.

Mission Activity:

Attended the Flotilla and Division meetings.

Other noteworthy items:

I do not have a rack that I can take to any place. Please tell me where I can obtain one.

I have been instructed to take thirty-three FEMA courses in 2011. That has occupied my total time in April.

Rolling 3 Month Plans:

1. Do Vessel Checking at Watergate and St. Paul Marina.
2. Take new CGAux materials to marinas and businesses in the 20 mile area of Falcon Heights.

Office (FSO) PE – Jeff Carlson**Assistance to the Active Duty:**

Looking to complete schedule education courses for the Spring of 2011.

Mission Activity:

A) 2011 Education Courses completed at this time include:

- ABS at Brooklyn Center on April 9, 2011 – 4 attendees.
- ABS at Shoreview Community Center on April 30, 2011 – 9 attendees.

B) 2011 Education Courses scheduled at this time include:

- ABS at Northdale Middle School in Coon Rapids on May 7, 2011 – 18 attendees estimated.

C) The GPS for Mariners at Shoreview Community Center on April 16, 2011 was cancelled due to lack of attendance. The person who signed up met with Phil Kircher of West Marine for an overview of how to better use his GPS.

B) The course books and cards for all classes have been received and paid for.

Rolling 3 Month Plans:

A) Evaluate the ability to give an ABS Courses for women only, GPS for Mariners and Sailboating Safely. These are contingent on the proper Flotilla Members accepting teaching responsibilities.

B) Review course offerings and locations for next year.
